

Christmas - A time of celebration and joy! At Embrace Florida Kids, we have so much to celebrate, and we are incredibly grateful for churches like yours that have supported us through the years. The Christmas season is our most significant time for donations, and we hope we can continue to count on your generosity.

Inside your Embrace Christmas gift box, you'll find materials – posters, bulletin inserts and envelopes – that will help us fulfill our mission: *In response to God's Word, we embrace and nurture vulnerable children and families by providing homes, healing and hope.* Please let us know if you need more materials, or if you have any questions, by emailing us at embracechristmas@letsembracekids.org.

We also encourage you to visit **embracechristmas.org** for more resources to inspire your congregation. You'll find downloadable videos, stories, graphics and other materials to help share our ministry's message.

Blake and I have had the honor of speaking at your churches and look forward to meeting more of you and your church families in the future. Whether through in-person speaking engagements or by using the resources we provide, we are here to support you in sharing the impactful work of Embrace Florida Kids and the difference we make in the lives of children and families.

Sincerely yours,

Ramsey Lawrence
Director of Development and Community Relations

EMBRACE FLORIDA KIDS

Embrace Florida Kids is a nonprofit, faith-based organization dedicated to serving vulnerable children and families across Northwest Florida. We offer residential and group homes for children, teens, college students, teen moms, and homeless mothers and their children. We also support families in crisis through family preservation, partner with caring foster families and equip parents with resources to prepare their children for school success. Our mission is to embrace children with unconditional love and surround them with the support they need to thrive.
